3", 6" and 9" drawer sizes available

Drawer slides can be moved up or down in 3" increments to accommodate different drawer configurations.

Dotted lines are positioned in 3" height increments. To illustrate the drawer configuration, fill in dots according to desired drawer sizes, only on top and bottom of where drawers are to be placed. Write drawer size on appropriate line to the left of cart drawing. The number should equal the total listed and be in the proper order.
